

Rapid Mist 1400

An innovative sanitizing and disinfecting machine that can be used to battle several bacterial and viral antagonists, including COVID-19. The only adjustable power washer exclusively featuring dual pressure settings for 350 PSI disinfecting or 1400 PSI power washing. Rapid Mist 1400 for sanitizing and disinfecting that can be used to battle bacterial and viral antagonists, including COVID-19.

The CDC recommends that you develop your plan, implement your plan, and maintain/revise your plan. Sanitizing and disinfecting healthcare, public, industrial, schools, and places of worship require proper attention. When coupled with QuatSan, the Rapid Mist 1400 is able to meet these high demands. There is no residue left behind making the sanitizing and disinfecting process run smoothly.
